3. Host Rules (Simple Version)

- Hosts are not allowed to create multiple accounts.
- Promoting other platforms is not allowed.
- Minors are strictly not allowed to be hosts.
- Each host can have only one verified ID, which is required to go live and withdraw earnings.
- Fake or impersonated facial verification will lead to a permanent ban.
- Sharing your ID with others for streaming will result in a permanent ban of that ID.
- Hosts must greet users when they enter the voice room.
- The voice room cover photo must be a real and appropriate photo of the host.
- Fraud is strictly prohibited. Any violation will result in permanent account suspension.

4. Changing an Agency

- If the agency does not respond within 7 days, the host will automatically leave the agency.
- Hosts who joined an agency less than one day ago can leave immediately after their first request.
- After submitting a leave request, the host cannot submit another request for 30 days, whether approved or not.
- Even after rejecting a request, the agency may still approve it within 14 days.
