# Joyo Live

## Live Stream + Voice Room + Party Live

- Joyo Live is a brand-new social app that offers video live streaming, voice live streaming, random social interactions, and games.
- On Joyo, you can not only meet friends all around the world, but also use your free time to earn more commissions.

## How the Agent Earn Money on Joyo Live?

### Coin Seller Details

- Benefits of Becoming a Coin seller
- Selling to users can earn 10%-21% of profit;
- Selling to other agencies can earn 7%-14% of profit

### How to Get Coins

1. Converting the diamonds in the agency account for coins.
2. Buying coins through Epay and USDT from the platform, contact customer service to get the recharge approach.
3. Buying coins from Large Gold coin sellers.

### There are two types of coin sellers, P1 and P2

- P1 coin seller can only help normal users , hosts and agents to recharge, he cannot recharge for P2;
- P2 coin seller can help all people to recharge.

How to become P1 coin seller: Recharge 500\$ one time, monthly coins sales volume should be higher than \$2000;

How to become P2 coin seller: Recharge 5000\$ one time, monthly coins sales volume should be higher than \$20000;

It would be better to provide your previous recharge screenshots on other platforms, which can demonstrate your capability.

### How to apply to be the coin seller

After becoming the agent, you can find coin seller entrance on your page. You can click it to check the coin seller introduction, and contact the official to express your intention of being the coin seller, then you can recharge. (By default setting, after becoming the agency leader, you gain the function of transferring coin to other users, but you can only transfer coin to normal users. Only P2 coin seller can transfer coins to all people in the app)

The coin seller helps the user to recharge at a fixed ratio, you can check the detailed information in the following form.

| Selling Coins to Users |         |            |  | P2 Selling Coins to P1 and Agencies |          |            |
|------------------------|---------|------------|--|-------------------------------------|----------|------------|
| Dollar                 | Coin    | 1USD Ratio |  | \$                                  | coin     | 1USD Ratio |
| 1\$                    | 8600    | 8600       |  | 100\$                               | 940000   | 9400       |
