### Rules:

- Hourly rewards for live tasks are based on your total earnings over the past 10 days (today + previous 9 days).
- The earnings from the past 10 days will be counted only for Live Room (including live gifts and lucky gifts), and Party Room earnings (including party gifts and lucky gifts). Income from video chats, private chat gifts, game shares, official or event rewards will not be included.
- As your earnings increase today, your task level and hourly pay rate will also increase. However, you can only claim the task once per time period, so it's best to claim it after your level goes up.
- Tasks refresh automatically based on the GMT+8 (Singapore time) countdown.
- Only the time you spend in a single live stream counts toward the task duration. Party Room time does not count.

## Rank Rewards:
